

ENTRY FORM

Classic Transport Day

The Mid-Norfolk Railway invites you to take part in a Classic Transport Day at our Dereham & County School Stations on Sun 25th July 2010.

We hope to attract cars, buses, commercial vehicles, tractors, motorbikes and cycles and match this where possible with trains, music and memorabilia from the same era.

In addition to an intensive train timetable south of Dereham, we hope to have a free vintage bus service to County School Station acting as a rail replacement following the withdrawal of passenger train services north of Dereham in 1964!
